The HR forum is the **group for HR professionals and small business leaders** helping members of the Association for Consultancy and Engineering (ACE) and the Environmental Industries Commission (EIC) **stay on top-of this rapidly changing area.**

Individuals

- Join a **safe space to share ideas**, challenges, frustrations and new initiatives.
- Raise your **professional profile** by contributing to projects and thought-leadership.
- Network with HR professionals and **like-minded people**.
- Develop your **skills, knowledge and expertise** for your own CPD.

SMEs

- Be part of a **friendly and diverse** community dedicated to sharing best-practice.
- Learn from tried and tested methods and a wide-variety of **people-centric experts**.
- Provide **development and growth** for individuals taking on HR related tasks as part of their role.
- Access **best-practice and templates**, polices and HR processes, first.

Large businesses

- Be part of the industry specific **people-focused community**.
- Explore the **major challenges of people management with peers** – share best practice and new initiatives on ways of working and the war on talent.
- Access external **expertise for free** – legal, HR and training updates.
- Ensure your business is seen as a **people leader**, supporting the entire sector.
